TO THE CUSTOMER: This **ATTESTATION FORM** is provided to you as an alternative to signing the electronic signature pad. A signature is required when purchasing fishing, hunting or trapping licenses. Failure to provide either a signature on the electronic pad or on this document will result in having your license(s) voided by the agent.

For Wisconsin Residents: I hereby certify that I am a Wisconsin resident and have maintained my permanent residence in Wisconsin for the previous 30 days and that I am eligible for these approvals.

For both Wisconsin Residents and non-residents: I understand that providing incorrect information and/or claiming landowner preference without meeting the legal requirements is a violation of state law and punishable by penalty and revocation of all hunting, fishing and trapping privileges for 3 years. A hunting license issued by the Department of Natural Resources does not authorize the possession of a firearm by a felon or anyone who cannot possess a firearm due to a conviction for a crime of domestic violence.

I have read the statements above and have complied with all the laws regulating the issuance and purchase of this license, and certify that my privileges are not revoked or suspended.
